

One more or one less?

Write one less and one more than the numbers shown in the boxes.

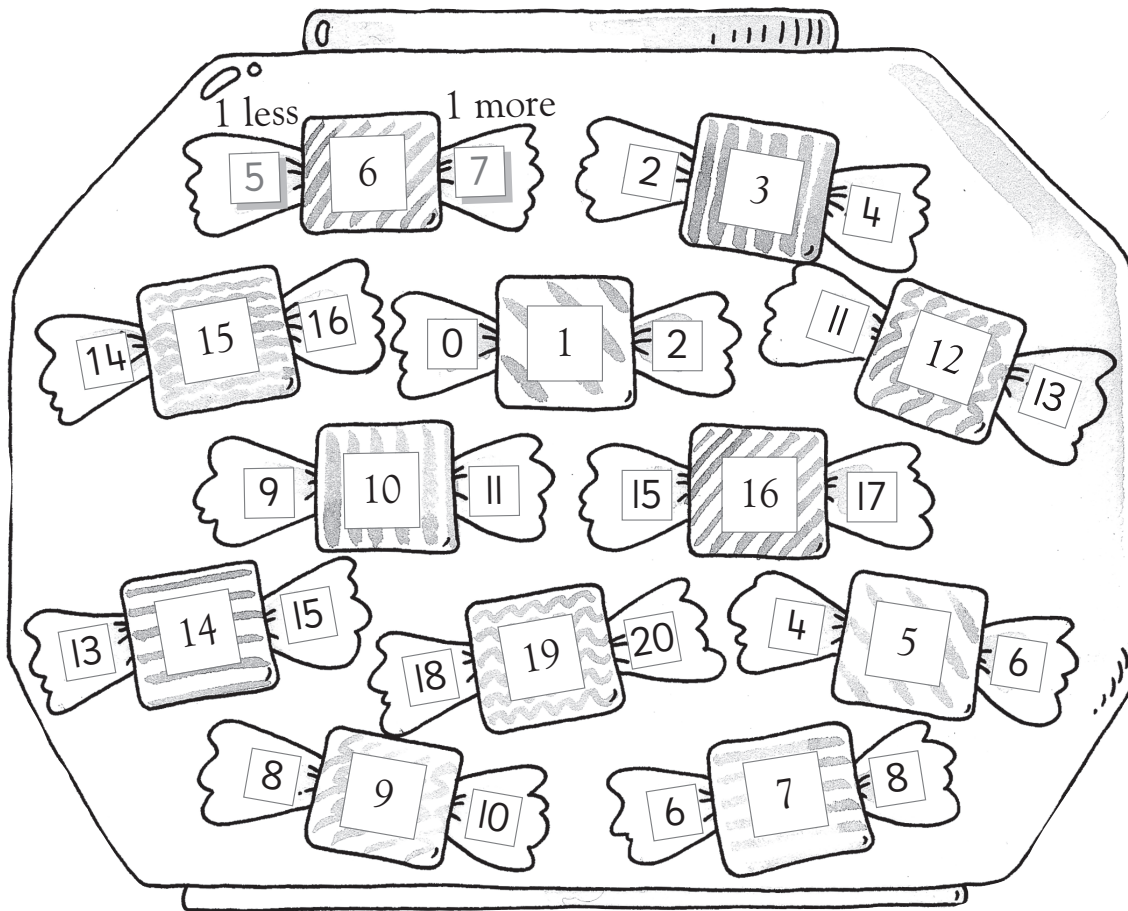

Draw one more or one less, and write the new number.

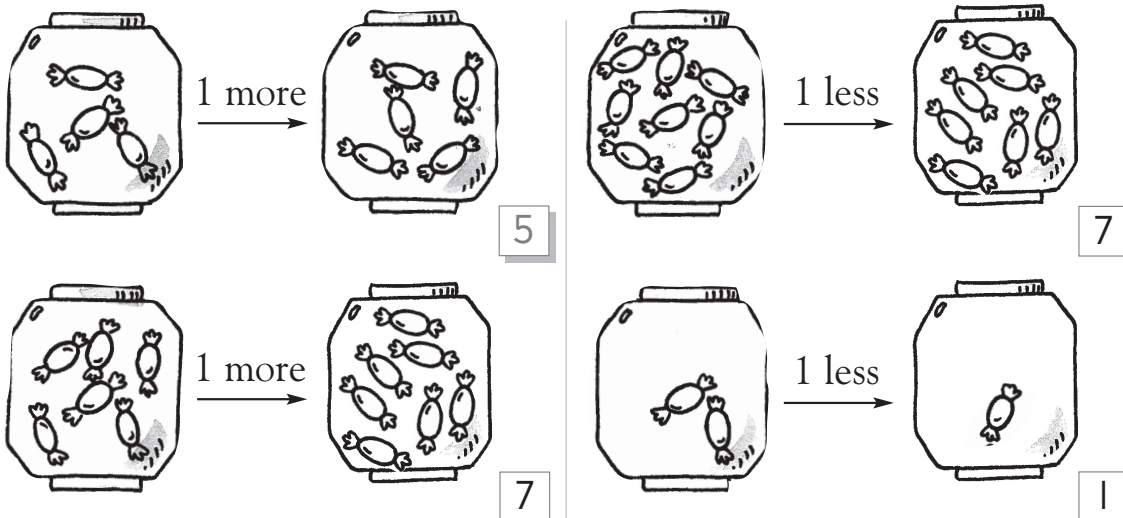

One more or one less?

Write one less and one more than the numbers shown in the boxes.

Draw one more or one less, and write the new number.

Children might benefit from making up their own number stories about the candies. For example, Rebecca had 3 candies, but her mother said she could have 1 more. Rebecca has 4 candies now.
